2026-2027 COORDINATED FUNDING REQUEST RECOMMENDATIONS

City Seats and Early Childhood Education Fund (ECEF)

City Seats is a locally funded contracted seats program for low-income children ages 0-3 whose households earn less than 200% of the federal poverty level. Early Childhood Education Fund (ECEF) seats are funded by the state match, which provides up to a dollar-for-dollar match for local funding for children ages 0-3. Participating centers must meet program standards, including a rating of Proficient or higher, maintaining ECAC certification for lead teachers, meeting ratio and group size requirements, and offering infant care. City Seats reimburses providers at a rate of $12,000 per child each year. Providers are reimbursed through ECEF according to the child's age (up to $25,000 per year for infants and toddlers and up to $15,000 for three-year olds.)

Returning City Seats and ECEF Sites Recommended for Continuity of Care with Re-Enrollment and Eligible for Additional Seats

The following sites are returning CIty Seats and/or ECEF sites that are both eligible for continuity of care with re-enrollment AND may be considered for additional publicly funded seats for the 2026-2027 program year if funding is available. These sites are eligible because the site has
1. 2024-2025 Performance Profile ratings of Proficient or higher and
2. an overall CFR score of at least 1.0 (out of 3.0 possible points).
These sites will be included in the NOLA-PS ECE Enrollment Application for the 2026-2027 program year.*

Returning City Seats and ECEF Sites with Pending 2026-2027 CFR Seat Applications

The following sites have 2024-2025 Performance Profile of ratings of Proficient or higher but have not completed a 2026-2027 CFR Seat Application due to extenuating circumstances beyond site control. Therefore, these sites are currently eligible for continuity of care only. If a 2026-2027 CFR Seat Application is completed for the site and the site receives a score of 1.0 or above, the site may be eligible for continuity of care with re-enrollment and for additional publicly funded seats for the 2026-2027 program year if funding is available. These sites will be included in the NOLA-PS ECE Enrollment Application for the 2026-2027 program year.*

LA4

LA4 is a contracted seats program for low-income four year-olds whose households earn less than 200% of the federal poverty level. Public schools are eligible to apply for LA4 seats and are paid $5,580 per child per school year. LA4 programs must meet program requirements, including a staff:adult ratio of no more than ten children for every adult, and minimum credentials for lead teachers. NOEEN makes recommendations for LA4 allocations to the Louisiana Department of Education via the Super App application in January. LDOE then makes recommendations to BESE, which is ultimately responsible for determining which programs participate in LA4 and how many seats they will be allocated. All returning sites were recommended for renewal.
