# LDOE CNLA & RSN REQUEST FOR APPLICATIONS

# LOUISIANA DEPARTMENT OF EDUCATION REQUEST FOR APPLICATIONS

**Biennially, the Louisiana Department of Education (LDOE), in alignment with Bulletin 140, requires Early Childhood Community Network Lead Agencies (CNLAs) and Ready Start Networks (RSNs) participate in an approval process.**

- As part of this approval process, the LDOE is tasked with identifying potential CNLAs and RSNs through a competitive process and submitting them to BESE for approval.
- To facilitate this process, the LDOE released two Request for Applications (RFA) on January 13, 2026, one for Early Childhood Community Network Lead Agencies (CNLAs) and one for Ready Start Networks (RSNs).
- These RFAs are for the 2026-2027 and 2027-2028 program years.

# LOUISIANA DEPARTMENT OF EDUCATION REQUEST FOR APPLICATIONS

**Agenda for Children and NOLA Public Schools will apply to retain their designation as the Community Network Co-Lead Agencies for Orleans parish for the 2026-2027 and 2027-2028 program years.**

AGENDA FOR CHILDREN

NOLA PUBLIC SCHOOLS™

# LDOE CNLA REQUEST FOR APPLICATIONS

**Through the CNLA Request for Applications, the Department seeks to identify and fund Community Network Lead Agencies for the two-year period beginning July 1, 2026, continuing through June 30, 2028.**

Community Network Lead Agencies must:

- Conduct administrative functions for the community network, including serving as the fiscal agent;
- Coordinate accurate CLASS® observations per the requirements of BESE Bulletin 140, ensuring that feedback is provided to all participating programs; and
- Coordinate the birth-to-age-five child count, enrollment, and the state funding application for the community network.*

**Detailed expectations for the requirements specified above are outlined in BESE Bulletin 140.*

NOEEN | NEW ORLEANS EARLY EDUCATION NETWORK

# LDOE RSN REQUESTS FOR APPLICATIONS

**In 2022, Ready Start Network Lead Agencies were codified through Bulletin 140 into policy that formalized the roles and responsibilities of the networks. As a scaled initiative, Ready Start Networks are recognized as an ongoing part of Louisiana's early care and education system, with unique duties and responsibilities that layer on top of the duties and requirements of a Community Network Lead Agency (CNLA).**

These responsibilities include:

- Assessing local demand for early care and education
- Determining strategies to increase access
- Creating a blueprint to address gaps
- Setting a vision for the network's future inclusive of community-level goals
- Recruiting stakeholders as partners to develop and expand an early childhood coalition
- Establishing local advisory councils to make collaborative decisions
- Developing strategies in a local funding plan to secure funding locally to meet local demand

# CNLA PROVIDER SIGNATURES OF SUPPORT

**In accordance with Bulletin 140, applicants must provide written notice of their intent to apply for Community Network Lead Agency designation to all existing early childhood programs within the designated community network and obtain signatures of support.**

- Agenda for Children and NOLA Public Schools are requesting that early childhood providers within the network submit statements of support.
- Statements can be made via electronic form and statements of support are requested by January 31, 2026.
- An initial request for support was sent to providers via the January 16, 2026 NOEEN Newsletter.

# CITY OF NEW ORLEANS & MILLAGE BUDGET UPDATES

December 10, 2025 to Present

# Millage Budget Updates

- On August 27, 2025, the City of New Orleans' Revenue Estimating Committee reduced the City's 2025 overall revenue forecast. The State's Legislative Auditor also identified a ~$160M deficit for the year.
- We are working closely with the Office of Health and Human Services to assess total revenue impact, make program adjustments for the current program year, and plan for future program years.
- Update: One payment has been made and one has been remitted. We anticipate the final total impact may be approximately ~$2M, which is nearly $3M less than December projections. **As state matching funds and local dollars must be spent in commensurate amounts, any dollars not paid by the City are INELIGIBLE for state match funds.**
- **Next year's budget will be a maximum of $21.5 (CNO) and TBD (ECEF), representing at least $2.7M in reductions.**

# Millage Budget Updates

To prepare, **non essential millage spending has been paused**. Investment priorities will be made in this order:

1. Seat payments - no interruptions
2. Current wraparound support partner contracts - no interruptions
3. Enrollment supports - no interruptions
4. Current **executed** contracts re: all areas - no interruptions
5. Wage Enhancement (Round 9 - TBD) - completed
6. Capacity Building efforts - current

# COORDINATED ENROLLMENT SUBCOMMITTEE

December 10, 2025 to Present

# 2026–2027
# COORDINATED ENROLLMENT PLAN

NOEEN | NEW ORLEANS EARLY EDUCATION NETWORK

# 2026-2027 Coordinated Enrollment Plan

**Community Network Lead Agencies (CNLAs) are required by the Louisiana Department of Education (LDOE) to engage early childhood program partners to develop and submit a Coordinated Enrollment Plan annually.**

The Coordinated Enrollment Subcommittee reviewed and approved the 2026-2027 Coordinated Enrollment Plan during the January Coordinated Enrollment Subcommittee Meeting.

# 2026-2027 COORDINATED ENROLLMENT PLAN

**The Coordinated Enrollment Plan describes the Coordinated Enrollment Process for the upcoming program year.**

Annually, the Community Network Lead Agency updates this plan by:

- Determining if changes are needed to the coordinated enrollment process for the upcoming year
- Reviewing the previous plan to ensure the information within is still accurate and reflects the coordinated enrollment process for the upcoming program year
- Updating the plan, if needed, to ensure that the plan aligns with the coordinated enrollment process for the upcoming year
- Presenting the updated plan to the Coordinated Enrollment Subcommittee for review, feedback, and approval
- Obtaining signatures from each required program partner type (Head Start, Type III Child Care, Family Child Care, public schools, NSECD sites, and charter schools) demonstrating they have been engaged in the planning process and approval of the plan.

# 2026-2027 COORDINATED ENROLLMENT PLAN

**Beginning in December 2025, the 2025-2026 plan was reviewed for notable changes by NOLA-PS and Agenda for Children.**

The following changes were made to the plan for the  2026-2027 program year:

- Section 1: Maximize System Capacity (# of applicants/waitlist by age)
- Section 2: Coordinated Informational Campaign (new strategies)
- Section 4: Application Enhancements
- Section 5: Developmental Screening Data (current data)

# SECTION 1: MAXIMIZE SYSTEM CAPACITY

**Community Network Lead Agencies utilize strategies that maximize available funding sources and increase access to publicly-funded early childhood programs each year. Please plan to use the CNLA data kit to complete the following questions.**

**1. Complete the table below using enrollment data to inform family demand for publicly-funded early childhood seats in the community.** NOTE CNLAs can use current year enrollment data, 2025-2026 Child Count if it has been audited, or the previous year's spring Child Count data.

| | *Example* | Infants | Ones | Twos | Threes | Fours |
|---|---|---|---|---|---|---|
| Number of Applications Received | *10* | *533* | *964* | *1,200* | *1,606* | *2,454* |
| Number of Families on the Waitlist | *0* | *260* | *400* | *352* | *382* | *392* |
| Is there an Access Gap? Yes or No | *No* | *Yes* | *Yes* | *Yes* | *Yes* | *Yes* |

# SECTION 2: COORDINATED INFORMATIONAL CAMPAIGN

**Campaign goal: Ensure families across New Orleans can clearly understand, confidently navigate, and equitably access early learning & childcare options.**

What We Implemented

- Clear, Family-Centered Communication
  - Simplified application language & instructions
  - Transparent explanations of eligibility, funding, and timelines.
- Multi-Channel Outreach
  - Website tools, email, SMS, social media, digital ads and community-based in-person support.
- High-Touch Family Support
  - Application Hubs & Verification Events
  - Family Resource Centers & Exploration Fairs
  - One-on-one guidance and document support

# SECTION 3: DATA PAGE

This page displays metrics and family feedback about the *Early Learning & Childcare* enrollment process over several years (2023–2024, 2024–2025, and 2025–2026)

**Overall Satisfaction Has Increased:**

- Families' average ratings of the early learning application process have improved over time — moving from lower satisfaction toward higher scores. For example, more families rated the experience as "excellent" in 2025–2026 compared to earlier years.

**Fewer "Difficult" Experiences:**

- The number of low (negative) ratings steadily dropped across years, indicating fewer families find the application difficult.

# SECTION 4: COORDINATED APPLICATION, MATCHING, AND REGISTRATION

1. *Improved Smart Logic in Avela: Adjusted the logic to account for nuanced eligibility criteria for various funding sources, ensuring more accurate placements.*
2. *Verification Field Updates: Added a "Verification of Work and Training" field for the 2026-2027 enrollment cycle to streamline documentation collection and align with audit requirements.*
3. Added number hours related to verification of work and training

***Matching Process Enhancements:***

4. *Transitioned from a main round match to a daily matching system for open enrollment, ensuring quicker seat offers and reducing waitlist anxiety for families.*
5. *Implemented a system that flags families at risk of losing their priority status if documentation deadlines are not met.*

***Registration Improvements:***

6. *Introduced multilingual registration resources to support non-English speaking families, including translated guides and step-by-step tutorial videos.*
7. *Enhanced accessibility for families through in-person assistance at Family Resource Centers and pop-up support events in high-need neighborhoods.*
